December 2014

Is it just me, or has this year gone quickly?

Scheduled training for 2014 is complete.

Remember to come and “make up” mandatory sessions you missed. We do have a couple of activities that need help.

The activities association is sponsoring “Meet and Greet Santa” on Friday December 12<sup>th</sup> from 5-8 PM at City Hall. Help is needed for the cake walk, cookie decorating, meeting and greeting and directing parents and children. It is decided to use “Little Debbie” packaged cakes for the cake walk. It’s great fun to see the kids; and good for them to meet the EMTs who may be needed to care for them. And they get to see Santa! Please let us know if you can help, so we have an idea of who to look for. Plan on getting here as close to 5 as possible.

On Saturday December 13<sup>th</sup> the Lions Club has the annual Senior Citizen Dinner at the Elementary School. 2 or 3 people are needed to take blood pressures. Please let me know if you are interested and I’ll fill you in on the details.

Thank you and best wishes to Crista Martinez. Cris has turned in her resignation. It has become difficult to find time to volunteer. Cris has volunteered for 6 years. Cris, you are appreciated for your years of service!

HAPPY DECEMBER BIRTHDAYS TO:

Aaron Miliander 12/6

Leif Erickson 12/14

Ellen Grabau 12/28

## EMT REFRESHER CLASSES

2 sessions will be running simultaneously. Our Chatfield class: 1/7-1/28 Mon/Wed and a class in Lewiston: 1/13-2/3 Tues/Thurs. I will give both classes both schedules, that way if a class will be missed it can be made up at the other class. I will send those out soon. The AAOS Transitional text book will be used, so if you have a copy of that please let me know. With both sessions going I may need to order extra books. Your exam will be a 6 station NREMT practical on the last day of class.

New Year: If you want to be rotated to a different team, please let me know, as I am working on next year’s roster. The team captains will remain the same. Rocky, Dave and Dan do an outstanding job with the schedule! Thanks to you all for always coming forward to help fill the holes. Levi Roline and Hannah Oehlke will be added to the new schedule, as their EMT class is winding down.

I wish each of you and yours all the Blessings of the Christmas Season! Please consider signing up on the holiday schedule, especially if you have not completed 24 hours of Holiday time.
